Experience

Cornell Bowers CIS · Undergraduate TA, Introductory Design and Programming for the Web

August 2023 - Present

- › Assisted and collaborated with colleagues on student grading.
- › Maintained frequent office hours, helping students build websites and complete projects.

Cornell CALS · Peer Mentor

June 2023 - July 2023

- › Facilitated the seamless transition of 11 incoming undergraduate students to university life by offering comprehensive support, including connecting them with valuable campus resources, imparting effective study strategies, and providing reassurance throughout their transformative experiences.
- › Planned, led, and supervised engaging in person events tailored to the needs and interests of my students.

Cornell University · Esports Gaming Ambassador

March 2023 - May 2023, August 2023 - Present

- › Checked out games and accessories to students for use within the university's esports gaming lounge.
- › Fostered a positive atmosphere for students to come together and engage in the world of esports.

Projects

<https://cornellsmash.com/> - The Official Cornell Super Smash Brothers Club website. Features modern UX design, responsive layout, and frequent site updates. Hosted on Github Pages, managed and maintained by myself.
